Introducing Ask IFAS

askifas powered by EDIS

UF/IFAS' Electronic Data Information Source (EDIS) is evolving to meet the needs of our audiences, as well as the faculty who provide research-based, timely information about agriculture, natural resources, family & consumer sciences and youth development.

Ask IFAS

https://ask.ifas.ufl.edu

- New user-focused website ready to move to the next level of engaging and empowering our Extension audiences
- Same trusted and relevant publications and navigation
- Easy to use on any device
- Improved ability to provide feedback and contact UF/IFAS Experts
- More enhancements to come!

EDIS Dashboard

https://edis-admin.ifas.ufl.edu
(Available late summer 2021)

- Document production tools ensure consistent branding and ADA compliance
- Metadata tools manage connections between publications, topics, departments, and experts
- User dashboards for managing publications and viewing metrics

EDIS OJS

https://journals.flvc.org/edis

- Rigorous and unbiased peer-review of submissions
- Registers published submissions as Extension scholarship
- Permanent record of EDIS works as they are published
