

**Everybody loves food!**

*#Florida grows food  
for the world year-round.*

**#FoodIsOurMiddleName | [ifas.ufl.edu/food](https://ifas.ufl.edu/food)**

**UF | IFAS**  
UNIVERSITY *of* FLORIDA

# Research

UF/IFAS research is in the fields and labs, finding innovative solutions that help Florida's farmers and ranchers produce abundant, safe, affordable and nutritious food.

# Education

College of Agricultural and Life Sciences students are prepared for rewarding careers related to food, from production and marketing, to healthcare and consumer education.

# Extension

The Florida Cooperative Extension Service brings science-based solutions to growers, ranchers, industry and residents to improve food understanding and availability.
